

## APPOINTMENT POLICY

Your appointment here at Metamorphosis Plastic Surgery is reserved especially for you so we can provide you with our personal attention. We make every effort to accommodate your scheduling needs so that you receive the highest quality of care.

In the event you need to reschedule or cancel your appointment, please provide us with at least 24-hour notice so that we may offer that time slot to another patient.

Our office policy dictates that a \$75.00 fee will be charged for a no-show appointment. If you have a pre-paid treatment package you will be charged for one treatment. A no show appointment is an appointment that is missed without any prior notification from the patient.
